

ST MARY'S CHURCHYARD

Triton were appointed to undertake the refurbishment and repairs to the boundary wall of St Mary's Churchyard in Beddington Park, Sutton. This Church is of a historical standpoint and was first mentioned in the Domesday Book in 1086.

The wall which was worked on formed the western boundary of the site and extends from Church Walk through to the recent development at the Northern end of the site.

The works comprised the repair and remedial works to the entire boundary wall facing St Mary's Mansions.

CONTRACT VALUE: £125,000
